

The GENTL Face Mask Disclaimer

The Gentl mask is not currently NIOSH (National Institute for Occupational Safety & Health) approved and has not been evaluated by the FDA (Food and Drug Administration).

DISCLAIMER: EPAM Continuum, together with the family of EPAM companies, (“EPAM”), is not looking for financial gains from this design. We are putting this into the public domain as an Open Source pattern with the desire to connect local manufacturers with local hospitals in need around the world in an effort to reduce the negative impact of COVID-19 and help to protect our healthcare professionals.

EPAM is offering the GENTL 3 Layer Face Mask pattern idea as an Open Source offering to the community during this public health emergency. These statements and the GENTL Mask are not intended to diagnose, treat, cure or prevent any specific diseases. The statements made with respect to the GENTL Mask have not been evaluated by the U.S. Food and Drug Administration or any other regulatory authority. The GENTL Mask has not been tested, nor has it been put through any necessary regulatory design review associated with medical design and development. Individuals or organizations that manufacture masks utilizing the design and specifications are solely responsible for any federal or state regulatory requirements that may apply to the manufacture or distribution of masks intended for medical use. Further, fluid resistance and filtration efficiency will depend on the raw materials the user selects, which may or may not provide the performance that EPAM suggests on the website and in the associated product literature.

Individuals and organizations are free to use, copy, modify and share this design and specifications, including for commercial manufacture, without payment of any fees, however, none shall assert ownership in the design and specifications or “GENTL Mask” mark, ownership of which belongs to EPAM. EPAM excludes all warranties, express or implied, including but not limited to any implied warranties of merchantability, non-infringement, or fitness for a particular purpose.
